Dear Valued Customer,

Due to continued increases in fuel and freight costs associated with shipments from Florida, Kurtz Farms will be implementing a 5% Transportation & Handling Fee on all foliage invoices starting on April 6th 2026.

We have worked hard to avoid passing these increases along to our customers, but unfortunately the added costs have risen beyond what we can reasonably absorb. This adjustment is being made to help offset the continued rise in transportation-related expenses while allowing us to maintain the quality and service you expect from us.

We are hopeful this adjustment will only be temporary and sincerely appreciate your continued support and understanding.
If you have any questions, please feel free to contact us. Sincerely,

Kurtz Farms
